DEDICATION

COLONEL THOMAS A. DOXEY

Colonel Thomas A. Doxey, whose patience, understanding and sincerity have instilled in us the principles and fundamentals of science and mathematics, is a true gentleman and friend. His dignity and fair consideration of student problems will be remembered by us as we strive for achievement in our academic and adult life.

So, it is with the greatest of pleasure that we dedicate the 1958 KADET to Colonel Thomas A. Doxey.
