NOV. 6 GAME PROBABLY WILL DECIDE TITLE—

TMI, Peacock S. A. L. Favorites Academic League Schedule

By BOB SEAMAN

Peacock Military Academy's Kats and Texas Military Institute's Panthers probably will decide the District 1 playing football, is not expected to be a contender this season. St. Anthony's will not compete in the grid sport but will see action beginning with basketball.

The Southwest Academic League, formerly composed of teams from Austin, San Marcos and San Antonio, has been expanded to a state-wide setup. District 3 will be made up of teams from North Texas. Houston, which has a private school league of its own, is expected to join the S.A.L. by next football season. Austin area schools from District 2.

DICK BRADFORD

There seems to be little to choose from as far as Peacock and T.M.I. are concerned this year. The Kats boast nine lettermen, three of which have won two numerals, so present are four squadmen.

Meanwhile, Coach Joe Strong at T.M.I. has the best squad the Panthers have fielded since 1918. Thirteen lettermen and one transfer from the nucleus around which powerhouse may be built.

Elmer Kosuh, who took over at Gerard's in time for last basketball season, handled the Royals in spring training. But only seven lettermen, none of which saw much action last year, won't provide the ability necessary to compete with the other local entries.

Leading Peacock will be Quarterback Dick Bradford, a two-year performer and one of the best passers in academic circles. Bradford suffered a shoulder injury in football last spring, but is coming back strong according to his coach, Leroy Bingham.

Other two-year lettermen are Guard Johnny Gabriel and End Douglas Ham. One-year veterans include Center Fred Flewellen, Guard Bob Crancer, Tackle Bob Garza, Back Rudy Johnson, Fullback Charlie Cole and Halfback Bob Haley. Ham is being switched from tackle to end, Haley from center to halfback, and Flewellen from guard to center.

Dave Robinson, a 190-pounder from Berville, and Allen Lawler, a 15-year-old tackle from Dallas, are expected to add strength to the line. Victor Wolf, a squadman, probably will start at left end Friday night at Wharton.

Strong lost only one man from his 1951 starting lineup—Bobby Joe Jernican, the right tackle. Bob Mangleberger, another line star, started only three games last season before being injured.

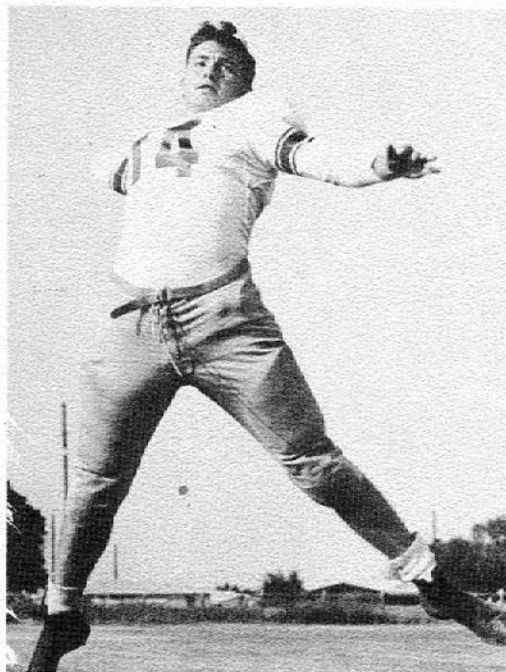

The Panthers will run off the T and the single wing. In the T, Camy Booth, ace passer last sea-

Peacock Bucks Sam Houston

Peacock's Kadets a favorite in the Southwest Academic League, will offer strong opposition to Sam Houston as they open their season at 8 p. m. Friday at Sam Houston Field.

The Sam Houston crew is very shy on experience. Coach Ray Tripp has only seven lettermen. Of these only Left End Freddie Rohde and Right Guard Bobby Scott have earned two numerals. Adding to Tripp's problem is the fact that the Cherokees are moving up from Class B to District 28 A.

Leroy Bingham has nine lettermen, several squadmen and some very promising newcomers. The

Peacock Cadets Triumph, 20-6

Peacock Military Academy's Cadets lost a staggering 125 yards in penalties Friday night, but still rolled to a 20-6 win over Sam Houston's Cherokees of District 28-A.

Rudy Johnson paced the victors with touchdown dashes of 43 and 34 yards and Charlie Cole added the other on an eight-yard slice off tackle. Bob Carey converted twice.

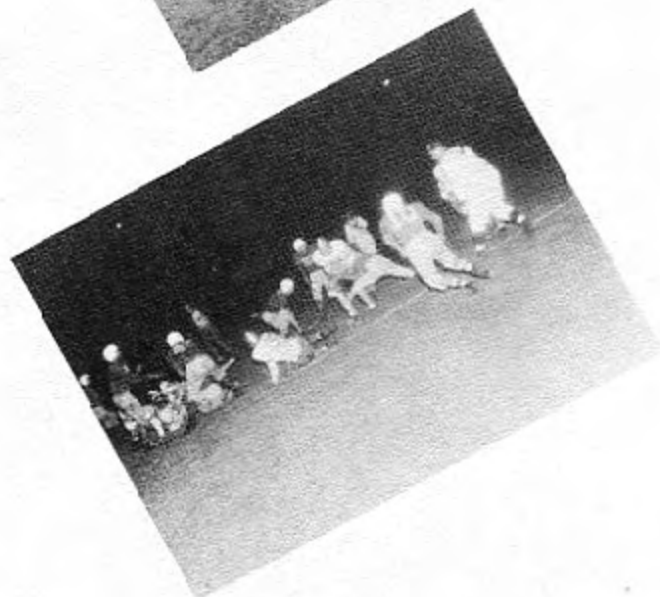

Sam Houston, trailing, 13-0, late in the clash, hit pay dirt when Joe Clark scored from one yard out. Bobby Speer set it up with a 45-yard end sweep.

Tech vs Peacock At Edison Field

San Antonio Tech, which already has improved greatly on its season record as compared to last year, winds up its football season at 8 p.m. Friday against the Peacock Kadets at Edison Stadium.

The Kadets have three victories—over Alamo Heights, Lanier, and Laredo—to show for their efforts, while only one win and a tie were recorded in 1951.

This non-conference game was rated pretty much a tossup until Peacock, which is also winding up play for the year, came close to upsetting T.M.L. last week, 14-12.

C. Cole

Robinson

The Panthers had no trouble beating Tech earlier, 26-6, one of the six losses handled by the Kadets.

Peacock's 1-6 record for the year doesn't take into account the fine offensive abilities of quarterback Dick Bradford, or fullback Charley Cole, the boys Tech must halt if the Kadet T attack is to be stopped. Dave Robinson, 204-pound tackle, anchors the Kadet line.

Tech's short punt gets good results from Joe Rodriguez, Henry Moyz, Joe Oosterveen, Fred Oviedo, and Frank Arinilla, all of whom share the offensive burdens.

This was the rip-snorter; our only good game of the season. And to lose by 2 points!

TMI Tackles Kadets

By BOB SEAMAN

The Southwest Academic League Texas Military Institute Panthers and Peacock Military Academy will be on the line at 8 p.m. Thursday night at Edison Field when the Kadets meet.

The undefeated Panthers, who have rolled up 238 points to six for the opposition in seven games, would rate a heavy favorite except for the rivalry of the two military schools.

Past records can usually be thrown away when these teams collide.

PEACOCK has won only once in six games — over weak Sam Houston, 20-6. But Coach Joe Strong of T.M.I. expects this will be the Panthers' toughest assignment so far.

If T.M.I. wins, the Panthers will have completed their season in perfect style. They then will enter the state N.A.L. playoffs against Lutheran Concordia of Austin, winner of District Two. The tilt is slated at House Park in Austin at 8 p.m. Nov. 21.
